Re: Docket No. 02-33 – Notice of Detariffing of Common Carrier Broadband Internet Access Transmission Service

Dear Ms. Dortch:

Pursuant to the *Wireline Broadband Order*¹, McCloud Telephone Company (Company), issuing carrier for the National Exchange Carrier Association (NECA) Tariff No. 5, respectfully files the attached notice of its intent to discontinue Wireline Broadband Internet Access Service (WBIAS) services effective on July 1, 2014. The Company will provide WBIAS on a common-carrier non-tariffed basis after July 1, 2014.

The customer notice will be mailed today, May 15, 2014, informing them of this change and providing our corporate office location and web address where they can view a description of the changes and obtain more information. A copy of the customer notice letter is attached as Attachment A.

Any questions regarding the filing may be directed to Kelly Allison at (512) 343-2544 or by e-mail at kelly.allison@chrsolutions.com.

Sincerely,

FCC CC Docket No. 02-33

Notification of Discontinuance of Common-Carriage Tariffed Wireline
Broadband Internet Access Service (WBIAS) and Initiation of Provision
on a Permissive Detariffed Common-Carriage Basis

Filed May 15, 2014

McCloud Telephone Company (Company) hereby provides notice that it plans to terminate provision of wireline broadband internet access service (WBIAS) on a tariffed basis effective July 1, 2014 at which time it plans to offer permissive detariffed WBIAS on a Title II common-carriage basis pursuant to paragraph 94 of the Federal Communications Commission's *Wireline Broadband Order*.² The Company currently offers WBIAS through Asymmetric Digital Subscriber Line (ADSL) Access Service and Symmetric Digital Subscriber Line (SDSL) Access Service under National Exchange Carrier Association (NECA) Tariff F.C.C. No. 5, for which the Company is an issuing carrier.

The Company has requested NECA that it remove the Company as a carrier listed in NECA Tariff F.C.C. No. 5 as a provider of ADSL and SDSL Access Services (hereinafter WBIAS) under the tariff effective July 1, 2014.

Impact on Customers

The only customer for the Company's WBIAS is the Company's affiliate non-regulated Internet Service Provider (ISP) operation. The affiliate purchases WBIAS for use as a component in its broadband Internet service sold to consumers and business customers. The discontinuance of the tariffed offering of WBIAS will have no effect on the end user services provided by the affiliate.

Serving Area

This change will impact the following areas: McLoud, Newalla, and Stella, OK.

Future Availability of WBIAS on a Permissive-Detariffed Common Carriage Basis

The Company will continue to make WBIAS available on a common-carriage non-tariffed basis through posting of rates, terms and conditions on its Internet website in a manner similar to that required for interstate and international interexchange services under Section 42.10 of the FCC's rules (47 C.F.R. §42.10).
